

*“Human values are the foundation for any viable life within society; they build space for a drive a movement towards one another, which leads to peace”.*

India is proud to be the most ancient civilization. Vedas were written in India. Jain-aagam and many valuable scriptures were written here. We are proud of our rich cultural heritage but today the society has forgotten those ideals, values and principles which were so dear to our ancestors.

As stated earlier, SDJASC is the only institution offering Jaindarshan uptill Aacharya (M.A.) and Vidyavaridhi (Ph.D.) in Rajasthan Our Institution is distinctive in this particular sense that, it is not the only institution teaching traditional subjects like: Sanskrit, Jain Darshan and Prakrit but also educating the people of society lessons of non- violence, truth, peace, contemplation, purity, self-control etc. through its scholarly teachers and students. These are the values which are slowly eroding in this materialistic society.

The dance of devil: corruption, violence, crime is visible everywhere. In such a state of society, our students and teachers are doing a very noble task of reviving the ideals and values set up by our ancestors for leading a happy and peaceful life. The students and teachers of this college go across the nation for delivering discourses on Jain darshan during “**Daslakshan Dharm Parva**” and many other religious events. Thus, it is the proud feature of our college that in this world where there is extreme crisis of human and moral values our students and teachers are restoring our traditional culture. Hence, our motto is “**Learn and Teach**” which is cent percent applicable here.
